

Dear Friend,

We are so excited about all that God is doing in and through Living Stones, and we are thrilled that you are feeling led by the Lord to be a part as well. We realize how important it is to have a church home and how difficult it can be to find a place where you belong. It is our prayer that God will continue to confirm His will and direction to you as you seek Him.

Enclosed you will find:

- **Welcome Letter (which you are reading now)**
- **Copy of the Constitution and Bylaws**
- **Baptism Article**
- **Request for Membership Form**

We ask that you thoroughly read through the **Bylaws and Constitution**, and jot down any questions that may need further clarification. The Bylaws and Constitution document who Living Stones Community Church is and how we function.

The **Baptism Article** written by Charles Stanley simply the clearest teaching that I have found on Scriptural Baptism and is very easy to read and understand.

The **Request for Membership Form** is designed for us to get to know you and includes a space for you to give us your contact information. We don't need the **Section I** portion of the form from every member of your family, but would like the information found in **Section II** filled out on your family members 6 and up. Each person of your family is welcome to fill out every section of the form that is applicable. We would especially like to know how we can specifically pray for them as well.

**We have enclosed the exact number of forms for your family.**

When you have completed the form you can mail them to the address below or simply bring them with you on a Sunday Morning and give them to a Greeter. After we receive the information from you then someone will contact you and coordinate you being introduced to the Church Family in a worship service. If at any time you have a question please feel free to contact me.
